

**OLD FASHIONED HAMBURGERS** made with 100% ground beef, grilled onions seared in the meat, toasted buns and always "cooked to order." Just the way Fritz's dad served them at his Kansas City, Kansas location dating back to the 1920's. A few years after Fritz's Navy Duty, which included an assignment on the USS San Francisco stationed at Pearl Harbor during the attack in 1941, Fritz and Virginia Kropf started their own restaurant called Fritz's in **KANSAS CITY, KANSAS IN 1954.**

Fritz's inventor skills led him to the development of a food delivery system that he designed and tested in the basement of his home. The patented system was primarily intended to help with the shortage of labor that he constantly experienced at his restaurant. Once the system, nicknamed the "Skat Kat," was actually installed in the late 70's, it began to take on the look of a train.

Fritz and Virginia's son Fred, and his wife Mary purchased Fritz's in the mid 80's and while serving the same great food continued to expand on the train theme. Fritz's is still family owned and operated. If you came in for the train-we think you'll be surprised how great the food is. If you came in for the food-we think you'll be surprised how much fun the train is! We hope you enjoy your time at Fritz's Railroad Restaurant. **THANKS FOR STOPPING AND WE HOPE TO SEE YOU AGAIN SOON.**
